

Brambleton Community Association

Board of Directors 2019 Election

Anand Mohan Dharmapuri: Introductory Statement

As many of you know there were broad concerns of Verizon contract renewal and it is in this context that I volunteered to serve in the community as your liaison to the board. After serving on that I can confidently say that I along with other members of the current board have been instrumental in ensuring two things 1) Verizon speed increased to 500/500 with free set-top box 2) Ensuring Verizon video service as an option in the next couple of years without raising the monthly due.

For those of you who don't know me, my wife and I along with two kids (8 & 6yrs) have called Brambleton our home for more than 6+ years. I bring with me over 18 years of management experience with international multi-cultural exposure with overall understanding of applicable laws and nuances of budgets/contract, influencing skills, negotiation skills, business acumen and non-profit experiences that will help me make valuable contributions as your board member. I have an MBA in Finance and an aspiring CPA. Our community needs are going to change, and I am committed to work with Developer, County and Representatives to accomplish community interests.

I will be truly be committed and put every possible effort to represent community interests with best of my knowledge, abilities and earn your respect and make Brambleton place to go and call home.

I'm glad for your nomination and support to represent you on Brambleton HOA board. I would like to take this opportunity to thank everyone for giving me the opportunity to run for the board and feel privileged to represent you.

Five Goals for Serving Brambleton

1. Be your liaison on HOA board with continuous community feedback
2. Reduce the community club hall charges to most economical level
3. Technology/Cable services: Re-negotiate the contracts for better services and options for the community
